

# Bulkeley High School

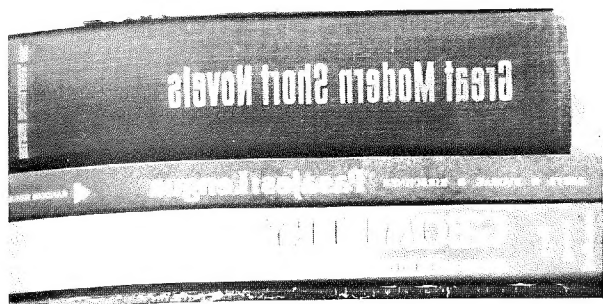

**“84”**

When tomorrow comes,  
This day will be gone forever,  
Leaving in its place something  
I have traded for it.  
I want it to be gain and not loss;  
Good and not evil;  
Success and not failure;  
In order that I shall not regret  
The price I have paid for it.  
I can waste it —  
Or use it for good,  
But what I do today is important,  
Because I am exchanging  
A day of my life for it.

A black and white photograph of a forest stream. In the foreground, a large, fallen log lies horizontally across the frame. The stream flows from the background towards the viewer, with water visible around the log. The background is filled with dense trees and foliage, creating a textured, somewhat blurred backdrop. The lighting suggests a bright day, with sunlight filtering through the leaves.

These past four years at Bulkeley have provided memories that will go on in our hearts and minds forever. The challenges, experiences, friendships and pride in what we did will help us to become mature and successful in the adult world we now face.

We, the class of 1984, would like to take this time to dedicate our yearbook to our hard-working, devoted teachers; and to thank them for all they have taught us. We wish them happiness, patience and success in helping future Bulkeley High School students in the years to come.

*Principal*

In the fall of 1980, you came to Bulkeley High school, many of you virtually strangers to each other, having come to us from various schools, neighborhoods, islands and countries.

Four years later you have been united in a common society, and hopefully, prepared to meet many different experiences — most of which we cannot even attempt to predict.

While you have attended Bulkeley you have been given an excellent opportunity to share your cultures, beliefs, understandings and desires with a wonderful cross section of young people and faculty members.

You have all been given this foundation and the challenge is up to you to use this foundation in a very positive manner.

On behalf of the administration and faculty, I wish you all the very best that life can offer and hope you will achieve your lifelong desires.

## GRADUATION

You wake up in the morning and tears rush to your eyes.  
You look into the mirror fighting them with a smile.  
You look at the pictures, our "Senior Year" it says,  
You try not to think about the day to come ahead.  
Out of the shower and you dress up real smart.  
You take out the gown and you feel it start.  
You bite your lip and smile.  
You say I'm so silly, things will turn out fine.  
The auditorium is crowded and your friends are there,  
Talking about nothing and the style of hair.  
Taking yours along with them — OH please help me God,  
I'm an adult today and it's so frightening.  
No more laughter at lunch, no more late for the bell.  
Your name is called and congratulations arrive.  
The gown is big but it can't hide the eyes.  
The thoughts behind them are all on one thing —  
The tears to follow, the sadness of the end.  
Everything is over and the doors are open wide.  
The path of no return stares you in the eyes.  
You turn around and there they are, friendship, love, and fun.  
Face it now school days are over and adulthood has just begun.  
You give a hug and hold on tight, the tears now freely flow.  
Goodbye you whisper, the lump in your throat, I'll miss you,  
The reply is Yes, I know. I'll miss you too, I love you my friends.  
You turn around and let go of hands, it's time to leave,  
You walk to the door, just one more look you do explore —  
No, you mustn't so you close the door.  
Good Luck Class of '84."

This year's Volleyball team ended the 1983 season with a surprising 9-7 record and a bid for the State Tournament. It was a young team with only two returning Varsity players but hard work, dedication and teamwork proved to be the key to success. Strong performances by Sophomore Marie Sanchez and Senior co-captains and high scorers Anita Soucy and Barbra Reilly sparked the offense and they will be missed in the setting position next year. However, with the loss of only three Seniors, the team should be more experienced and stronger next year. Although the team was not in contention for C.D.C. honors this year, in the past 10 years of BHS Volleyball, teams under Coach Horrigan have won the City Series 8 times, the C.D.C. 3 out of 7 years and qualified for the State Tournament with winning seasons 7 out of 10 years. This is a record to be proud of.

— Coach  
Debbie Horrigan

# BASKETBALL

The 1983-1984 Boys' Basketball Team had a record of 8 wins and 11 losses. The Bulldogs were led by Co-Captains Patrick Hill and Jim Flintroy who supplied great help for the team. With the help of the Co-Captains and great play by Ivan Powell, the Bulldogs tied for the City Series. The inexperienced Bulldogs had great skill and put forth much effort, although the record did not reflect this.

The 1983 Baseball team completed their season with a record of 7 wins and 10 losses. The Bulldogs won their 15th consecutive city championship and came in 2nd in the CDC. The highlight of the season was Bulkeley's exciting victory over South Catholic. The Bulldogs lost a heartbreaking double header against New Britain under the lights by the scores of 2-1 and 4-3 to eliminate the team from winning the CDC championship and the right to qualify for the State tournament. The team played good baseball throughout the season losing some tough games that could have gone either way.

This year's team was a young group of competitors that has shown steady improvement throughout the season. Each and every meet showed an improvement in the final score. The nucleus of the team was formed by Senior co-captains Lisa Cruz and Geneva Parrish along with Senior Cindy Bouley and returning letter winner Lori Bouley. New team members that were a contingent are Freshmen Jackie Laboy, Linda Caruk, Carol Stabile, and Sophomore Gina Giachello. These young ladies will carry the colors for the Girls Gymnastics team in the next few years. Their effort and steady improvement made coaching the team a pleasure. The year culminated with a second place finish to a strong Weaver team. In that meet Senior co-captains Lisa Cruz and Geneva Parrish won many medals. I look forward to next season with anticipation.
